PROFILE

I am a first-year BBA-IBM student with a strong interest in finance, data analysis, investment banking, and technology. I am passionate about building a career at the intersection of business and technology. I bring creativity, technical skills, teamwork, and strong communication abilities to every project. I have completed several online courses and hold several certifications that enhance my academic learning. I am known for being hardworking, ambitious, detail-oriented, and adaptable. I am eager to contribute to dynamic environment and continue developing my professional skills.
